

Privacy Booth

Our Privacy Booth makes it simple to step away for privacy while staying in the office. With a sound-dampening felt lining, it's a quiet space for phone calls, while a fixed-height shelf and built-in charging outlets let you get some work done. Extra features like lighting, ventilation openings, and an automatic fan help keep you comfortable.

- Includes Integrated LED Lighting
- 2 AC Outlets, 1 USB-A Port, and 1 USB-C Port
- 17.5" Square Frosted Acrylic Skylight Adds Ambient Light
- Integrated Casters Make It Easy to Move and Leveling Footpads Increase Stability
