

# Beam Privacy Panel

**vari**®

The Vari® Beam Privacy Panel is a perfect addition to your office space, offering visual desktop privacy as well as sound dampening. Designed to fit Vari's Beam and Beam Extensions, the panel installs quickly and easily with a simple adapter system. The Sterling Grey color pairs well with the Beam finish and most office environments. The tackable material allows you to pin items up with ease.

- Available in 3 Widths, Corresponding to Vari's Beam and Beam Extension Sizes
- Attaches to Beam Instead of Desks or Tables
- Provides Fixed-Height Privacy
- Installs Quickly and Easily
- Polyester Fabric is Tackable and Easy to Clean
