

Standing Work Table 60x30

For active people who want to stay out of their seats and on their feet, we've designed the Standing Work Table 60x30. This solution gives anyone who wants to stay standing during the day the ability to set up their table to their preferred height and stay there, no adjustments needed. In addition to being durable with a spacious worksurface, this table can be assembled in minutes to one of 7 height settings, with no special tools required.

- 7 Height Settings
- Supports up to 300 lb (136 kg)
- Spacious Work Surface
- Durable Laminate Finish
- Leveling Footpads
- Incorporated Cable Management Tray

Top Finish: Reclaimed Wood
Leg Finish: Slate
